

# the Annual Giving Circle

*Together, our promise is stronger.*

*The most powerful way for us to make a difference is to empower our Nepal staff to allocate available funds where they are most needed and can have the greatest impact.*

*The descriptions of program areas below are intended to provide insight into the many ways in which NYF efficiently and effectively saves lives through your generosity.*

## Friend

**\$1,000-\$2,499**

Each day, children at Olgapuri receive three nutritious, home-cooked meals. Children staying in our Nutritional Rehabilitation Homes (NRHs) also receive a nutrient-rich diet that allows them to recover from malnutrition and regain their health while their caregivers learn how to keep them strong throughout their childhoods. A gift at this level can pay for these meals and the staff who so lovingly prepare them – either at Olgapuri or at one of our NRHs. To thank you for supporting NYF as a Friend, you will receive a special thank you gift from Nepal and:

**Invitations to special virtual and in-person appreciation events**

## Partner

**\$2,500-\$4,999**

When possible, we help children whose parents cannot care for them to stay with grandparents, aunts, uncles, and older siblings. NYF's Kinship Care program provides support for these impoverished family members who find it difficult to feed and educate them. A gift at this level will help us ensure that families in our Kinship Care program receive the support they need so that the children in their care can thrive and stay in school. To thank you for supporting NYF as a Partner, you will receive a special thank you gift from Nepal and:

**Invitations to special virtual and in-person appreciation events**

**An invitation to an "Ask me Anything" event with NYF's leadership in Nepal and the U.S.**

## Builder

**\$5,000-\$9,999**

Each year, up to 80 children live joyfully at Olgapuri Children's Village – NYF's world-class children's village. A gift at this level can help cover all of the costs of supporting one or two children at Olgapuri for an entire year. To thank you for supporting NYF as a Builder, you will receive a special thank you gift from Nepal and:

**All benefits extended to Partners**

**A lunch and briefing with U.S. Executive Director, Ryan Walls (NYF office, Presidio, San Francisco)**

## Champion

**\$10,000-\$24,999**

Some children need special care to cope with trauma, grief, and loss, as well as struggles like ADHD, anxiety, and low self-esteem. Led by a passionate team of therapists, NYF's Ankur Counseling Center is Nepal's first counseling center specifically for children. Gifts at this level support groundbreaking programs like this to ensure children receive the support they need to learn, grow, thrive and succeed. To thank you for supporting NYF as a Champion, you will receive a special thank you gift from Nepal and:

**All benefits extended to Builders**

**A personal tour of Olgapuri in Kathmandu with NYF President, Som Paneru**

## Trailblazer

**\$25,000-\$49,999**

At the Olgapuri Vocational School, young adults receive hands-on training in one of five skilled-trade areas (electrical, plumbing, industrial tailoring, carpentry, welding) so they can chart their own futures and build successful, meaningful careers. As many as 50 aspiring students can be supported by gifts at this level. To thank you for supporting NYF as a Trailblazer, you will receive a special thank you gift from Nepal and:

**All benefits extended to Champions**

**A home cooked Nepali lunch or dinner at Som's gorgeous traditional Newari-style home in Kathmandu**

## Visionary

**\$50,000-\$99,999**

To achieve their dreams, many students need post-secondary education. We provide scholarships to deeply motivated students who face financial hardships, discrimination, or other barriers to higher education and, after graduation, help these same young people secure employment. Gifts at this level can help empower up to 40 aspiring students to become Nepal's future entrepreneurs, educators, doctors, lawyers, teachers, and leaders. To thank you for supporting NYF as a Visionary, you will receive a special thank you gift from Nepal and:

**All benefits extended to Trailblazers**

**Heartfelt gratitude expressed on a personal 1/2-page appreciation in the Founder's Day Commemorative Journal (new in 2024!)**

## Catalyst

**\$100,000+**

Everything we achieve at NYF is thanks to our extraordinary, visionary, dedicated team of professionals in Nepal. Catalysts will help us ensure we pay fair wages and provide benefits to our hard-working, committed, brilliant team on the ground so that they can continue to devote their lives to the children of Nepal. To thank you for supporting NYF as a Catalyst, you will receive a special thank you gift from Nepal and:
